

Student Name: E. Arthi Supriya Reddy Sec- c ROLLNumber: 180330022	Name of Video: Mind your language
<p>Background Knowledge: Before the video, write anything you already know about this topic.</p> <ol style="list-style-type: none"> It is a British sitcom that premiered in 1977 It is totally of 4 seasons which has 42 episodes. The show is set in an adult educational institution. Mind your language describes about a group of people who lives in London as their daily living and there different occupations. They are from different parts of the world so they don't know how to communicate English with others So they do join that institution to learn English as a foreign language, where one professor and principal of the institutions are the leads for the story this is how story of this sitcom goes on 	
<p>Main Pointsinthis Video: Record key points and details you learned from this video</p> <ol style="list-style-type: none"> The series shows how people of different countries with different social background, religion and language exist in the same class room. There should be no discrimination in class based on their nationality, and there should not be any racialism. The professor is very patient to teach English to students who doesn't even know pronunciation of simple English words and also we can notice that he is trying to resolve fights between students. 	
<p>Vocabulary: Jot down any new vocabulary terms you heard in this video.</p> <ul style="list-style-type: none"> Demented Inflation Whimper
